

# STEAM LINES

[“FLYER” EDITION]

## VICE PRESIDENT’S REPORT

Our President, Dick Langford, is now on the other side of the world for 3 months! So I will be “running” the club until his return.

The next major event for us is the AMRA exhibition. This is our chance to show people that we exist, and what we do. We also usually get one or two new members, and the portable railway generates much needed income. Everyone is welcome!

More news next month.
