

STEAM LINES

["FLYER" EDITION, JUNE 2005]
(Second Edition)

FROM THE VICE PRESIDENT

AN EDITOR FOR *STEAM LINES*

As you are no doubt aware, Jim Clarke has completed his editorship of this excellent publication. We are now looking for someone to take it on. I don't doubt that there is quite a lot of work to produce *Steam Lines*, but its importance can not be underestimated — it provides a vital link between all members allowing us all to be kept up to date with what is going on — it provides a medium where members can put to paper interesting articles on a wide variety of subjects. These combined with photographs and diagrams give a wealth of information — it allows us to keep in contact with clubs throughout Australia, New Zealand and the wider world. Snippets get published in AME. We have had visitors from what has been published.

Jim has put the computer programmes needed to publish *Steam Lines* onto a compact disk that can be used on any computer. He has also offered to co-edit the first edition with the new editor. This will be of considerable assistance. Several articles await publication.

So how about it! Here is a chance to fill an important role within the club. Please let Milton Smith know if you are interested and he will arrange things for you.

Steve Reeves

NEWS

May Runday Around \$700 was earned on the day. The Padbury scout group were present, and there was also a party.

Exhibition at Kingsway Shopping Centre. We have been offered an opportunity to display our wares. This is a good way to advertise the club. The date will be advised if it is decided to take up this chance to put on a Model Engineering display.

Minutes of Meetings These will not be published as part of *Steam Lines* until an editor has come forward.

Newsletters from other Clubs. These are available for perusal when available.

Workdays These are on Tuesday and Saturday mornings. Until the ground level track construction begins in earnest, there is site maintenance to be dealt with. A list of maintenance projects will be placed on a notice board which will shortly be mounted in the club-rooms. So just turn up. There is plenty to do!

Stop Press **AMRA gross receipts were \$4572. This is not all "profit" as there are some expenses and we pay AMRA 20% of the net "profit."** Special thanks to all those who helped in whatever way, particularly Kate and Peter Langford who stood in for Dick and came down to help in the dismantling process. (MGS)

GENERAL MEETINGS (8.00pm. Note Committee Meetings at 7.00pm):
